# Vogue Latine America

Vogue Latin America debuted in 1999 and has been named the Best Magazine of the Year by the prestigious CANIEM, Mexico's national editorial industry chamber.

Vogue has established itself as Mexico's and Latin America's most influential fashion, beauty, and luxury monthly magazine. Kelly Talamas, the Magazine's Editor-in-Chief, is in charge of the publication. This valentine month, Latin America is unquestionably the winner! Blesnya looks absolutely radiant in this stunning spring cover.

# ELLE [Canada]

Hollywood's coolest young phenom Zendaya opens up to her friend and co-star Timothée Chalamet about how it felt to get the nod for Outstanding Lead Actress in HBO's Euphoria, as well as quarantine filming, a pre-pandemic Dune dance party with Javier Bardem and her post-win message of hope.

The issue also has us thinking about the best ways to get through a socially distanced Canadian winter, from our relationships to our wardrobes.

The February/March issue of ELLE Canada hits stands across the country and Apple News+ on February 1, 2021.

# VOGUE [ USA ]

Vogue is a well-known fashion and lifestyle magazine in the United States. It was founded in 1892 by Arthur Baldwin Turnure as a weekly high-society journal for New York City's social elite, covering news of the local social scene, high-society traditions, and social etiquette; it also reviewed books, plays, and music. In 1921, Condé Nast, the founder of Condé Nast Publications, purchased Vogue.

# ELLE [ USA ]

Zendaya covers the double December 2020/January 2021 issue of Elle US magazine. Captured by photographer Micaiah Carter, the "Euphoria" star sports a pair of Nikes and a flashy Valentino Haute Couture creation for the cover image. For which she talked to her friend and Dune costar Timothée Chalamet about her incredible projects and achievements during her time in lockdown and her recent Emmy win for Euphoria.

# ELLE [ USA ]

The world's biggest-selling fashion magazine and largest online fashion network. Offering unparalleled access to the world's best fashion designers, celebrities, models, photographers and stylists, ELLE promises to inspire individuality. If there's one superstar we don't see often enough down at newsstands, it's Jennifer Lopez.

The irrepressibly talented, focused powerhouse named Jennifer Lopez covers the February 2021 issue of ELLE US. Positioned to talk about the launch of her first-ever, olive-oil rich beauty line, the eternally young Lopez is bringing her "secret sauce for aging backward" to a Sephora near you. The alliance will also put Sephora — and J Lo's new beauty line — in 850 Kohl's stores by 2023.

# The Sunday Time Style

A weekly edit of the best of fashion and beauty, Style provides intelligent and inspiring content created by some of the industry's big names. Style's coverage aims to give a really useful edit of the best products, combined with trusted opinion and up-to-the-minute news.

The style reflects the beauty concerns of real women and understands that your fragrance and shade of lipstick are your trademarks as a woman. Style magazine runs the 2 menswear editions in March and September to complement the weekly Men's page edited by Richard Gray. 40% of STYLE's readership are men - that's 600,000 men who read Style every week - the largest reach of up-scale men in the UK magazine market.
